

SPRING SEASON 2012

Begins March 31st!

The West Des Moines Soccer Club offers playing opportunities for children ages 3 – 13 this Spring and welcomes all skill levels. Our specialized player development program focuses on educating each player while fostering a greater love for the sport of soccer!

OUR PROGRAMS:

Mini Kickers – This Spring we will be offering 5 weekly sessions for 3-year-olds! (Children with birth dates between 8/1/2007 and 7/31/2008.) By introducing your child to the game at a young age, they will have a head start in developing both soccer skills and team building!

Cubs – This long-established program will continue again this season for 4 and 5 year old children with birth dates between 8/1/2005 and 7/31/2007. As a rapidly growing program in our player development curriculum, Cubs teams fill up fast. Register now to save your spot!

Recreational Program – Whether your child has played soccer for years or if they're new to the sport, the Recreational Program is right for them! Here we focus on FUN and LEARNING! If your child was born between 8/1/1997 and 7/31/2005, sign up now for the WDMSC Recreational Program! *Uniforms may be purchased at Soccer Connections, located at 3233 100th Street in Urbandale by February 15th, 2012 to ensure delivery by the season start date.

U9 & U10 Academy Program – For players who wish to further develop their skills and receive professional training, the WDMSC Academy Program offers just that. This provides players with the opportunity to play with and against other players with similar ability and commitment and at a level where they will experience the most success and enjoyment.

U11 – U18 Select Program – As the most successful Select Program in Iowa, WDMSC players are placed through a selection process on developmentally appropriate teams that best suit their abilities, aims, and commitments. Tryouts for this program take place in June 2012 and after receiving a bid, you must register with a separate form. Please contact Gareth Smith at coachgareth@hotmail.com for more information.
