

HyVee Food Stores  
George Mills Parkway Exit

Parking at Hidden Valley will be in the north lot and in a south lot. The south lot is grass parking and also has practice fields.

We are arranging a counter clock wise route to and from the fields to expediate traffic flow and to prevent delays.

If the the grass fields are too wet for parking, we will direct people to park at 5701 Park Ave, and people will be bused to the fields.

5701 Park Ave  
To be used only if notified that the grass fields are too wet for parking
